

# One Person's Crumbs are Another Person's Cake

## Pelosi is Painfully Out of Touch

Fancy Nancy Pelosi claims the benefits of the recently passed Tax Cuts and Jobs Act amount to “crumbs” for the middle class and has even called it “unpatriotic.” A \$1,000 bonus check or a \$50 increase in every paycheck might seem like “crumbs” to Pelosi, who’s worth more than \$40 million, but it’s cake for Americans paying rent and pumping their own gas.
